Dear Shareholder

PROPOSED DELISTING AND NOTICE OF EGM

Introduction

On 1 October 2018, Greka Drilling announced its intention to seek Shareholder approval for the cancellation of the admission of the Ordinary Shares to trading on AIM. The Board is proposing a resolution to approve the Delisting at an EGM to be held at 10.00 a.m. on 17 October 2018. The purpose of this document is to set out the reasons for the proposed Delisting and explain why the Directors unanimously

consider the proposed Delisting to be in the best interests of the Company and its Shareholders as a whole and are recommending that Shareholders should vote in favour of the proposed Delisting at the EGM. The notice convening the EGM is set out at the end of this document.

Reasons for the Delisting

The Directors have concluded that, for the reasons set out below, the costs of maintaining the Company's admission to AIM are not justified by the benefits gained from maintaining admission:

- the market capitalisation of the Company is well below the level at which it floated on AIM in March 2011 and there is limited scope for issuing new shares to fund the Company's growth or as acquisition currency due to the significant dilutive effect to Shareholders;
- the Ordinary Shares suffer from a lack of meaningful liquidity; and
- the ongoing costs associated with maintaining the listing on AIM are high relative to the Company's market capitalisation and there is a significant administrative and regulatory burden involved in admission to AIM.

Accordingly, the Board has concluded that it is no longer in the interests of the Company or its Shareholders as a whole for the Ordinary Shares to remain traded on AIM.

Principal effects of Delisting

The principal effects that the Delisting will have on Shareholders include the following:

- there will no longer be a formal market mechanism enabling Shareholders to trade their Ordinary Shares on AIM (or any other recognised market or trading exchange);
- while the Ordinary Shares will remain freely transferable, they may be more difficult to sell compared to shares of companies traded on AIM (or any other recognised market or trading exchange);
- it may be more difficult for Shareholders to determine the market value of their investment in the Company at any given time;
- the Company will no longer be subject to the AIM Rules and, accordingly, Shareholders will no longer be afforded the protections given by the AIM Rules - in particular, the Company will not be bound to: make any public announcements of material events, or to announce interim or final results; comply with any of the corporate governance practices applicable to AIM companies; announce substantial transactions and related party transactions; or comply with the requirement to obtain shareholder approval for reverse takeovers and fundamental changes in the Company's business;
- the Company will cease to retain a nominated adviser and broker; and
- the Delisting might have either positive or negative taxation consequences for Shareholders (Shareholders who are in any doubt about their tax position should consult their own professional independent adviser immediately).

Notwithstanding the Delisting, the Company will continue to comply with the applicable statutory requirements and the Company's articles of association.

The Board intends to continue to maintain the Company's website (www.grekadrilling.com) and to post updates on that website from time to time, although Shareholders should be aware that there will be no obligation on the Company to include the information required under AIM Rule 26 or to update the website as required by the AIM Rules. In addition, Shareholders are reminded that as the Company is registered in the Cayman Islands, Shareholders are not afforded the protections provided by the City Code on Takeovers and Mergers.

Process for Delisting

The Delisting is conditional on the approval of not less than 75 per cent. of votes cast by Shareholders (in person or by proxy) at a general meeting. The resolution in the notice of EGM, which is set out in at the end of this document, proposes that the admission of the Ordinary Shares to trading on AIM be cancelled.

Furthermore, Rule 41 of the AIM Rules requires an AIM company that wishes the London Stock Exchange to cancel the admission of its shares to trading on AIM to notify such intended cancellation and separately inform the London Stock Exchange of its preferred cancellation date at least 20 business days prior to

such date. In accordance with AIM Rule 41, the Directors have notified AIM of the Company's intention, subject to the resolution being passed at the EGM, to cancel the Company's admission of the Ordinary Shares to trading on AIM. Accordingly, if the resolution is passed at the EGM, the Delisting will become effective at 7.00 a.m. on 30 October 2018.

Transactions in Ordinary Shares

Shareholders should note that, if effected, the Delisting will significantly reduce the liquidity and marketability of the Ordinary Shares. The Directors do not intend to provide, seek or support any arrangements whereby Ordinary Shares can be bought or sold on a matched bargain basis following the Delisting becoming effective. Accordingly, interests in Ordinary Shares are unlikely to be readily capable of sale and, where a buyer is identified, it will be difficult to place a fair value on any such sale.

Extraordinary General Meeting

The notice convening the extraordinary general meeting of the Company for 10.00 a.m. on 17 October 2018 at 25 Moorgate, London EC2R 6AY, is set out at the end of this document. The resolution to be proposed at the EGM is:

Special resolution:

To approve the cancellation of the admission of the Ordinary Shares to trading on AIM and authorise the Directors to take all action reasonable or necessary to effect such cancellation.

The approval of at least 75 per cent. of those Shareholders voting in person or by proxy is required in order to pass the resolution.

Action to be taken

You will find enclosed with this document a Form of Proxy (or Form of Direction for DI Holders only) for use in connection with the EGM. Whether or not you are intending to be present at the EGM, you are requested to complete the enclosed Form of Proxy/Form of Direction in accordance with the instructions printed thereon and to return it to the Company's registrars, Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU as soon as possible and in any event so that the Form of Proxy is received not later than 10.00 a.m. on 15 October 2018 and the Form of Direction is received not later than 10.00 a.m. on 12 October 2018. The completion and return of the Form of Proxy/Form of Direction will not prevent you from attending and voting at the EGM in person if you so wish. A DI Holder wishing to attend and vote at the EGM in person should contact the Depository by no later than 10.00 a.m. on 12 October 2018 to enable the appropriate authority to be issued to such holder.

Nominated adviser

The Company's AIM nominated adviser is Smith & Williamson Corporate Finance Limited ("Smith & Williamson"). Cenkos Securities plc ("Cenkos") has entered into an agreement to acquire the nominated adviser and corporate broker business of Smith & Williamson, and as a result Smith & Williamson will no longer be the Company's nominated adviser, effective 2 November 2018. As a result, in the event that the Delisting had not been approved at the EGM, the Company's shares will be suspended from trading on AIM in the absence of the appointment of a replacement nominated adviser.

Recommendation

The Directors consider that the Delisting is in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors unanimously recommend Shareholders to vote in favour of the resolution to be proposed at the EGM as they intend to do in respect of their own beneficial holdings amounting to 264,919,233 Ordinary Shares (representing 66.52 per cent. of the Company's issued share capital).

Yours faithfully

Randeep S. Grewal
Chairman

Dated: 1 October 2018

Notes:

1. As members of the Company, Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote at the EGM. A Form of Proxy (for the use of holders of Ordinary Shares) or Form of Direction (for the use of the holders of depository interests ("Depository Interests") representing Ordinary Shares) is enclosed with this document. A proxy may only be appointed by a member of the Company, using the procedures set out in these notes and the notes to the Form of Proxy.
2. A proxy does not need to be a member of the Company but must attend the EGM to represent the person appointing him/her. Details of how to appoint the Chairman of the EGM or another person as a proxy using the Form of Proxy are set out in the notes to the Form of Proxy. Any member wishing a proxy to speak on his/her behalf at the Meeting will need to appoint their own choice of proxy (not the Chairman) and give his/her instructions directly to them.
3. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. A member may not appoint more than one proxy to exercise rights attached to any one share.
4. To be valid, a Form of Proxy and Form of Direction and any power of attorney or other authority under which it is signed must be lodged with the Company's registrars, Link Asset Services, PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU in the case of a Form of Proxy by not later than 48 hours before the time appointed for the holding of the EGM and in the case of a Form of Direction by not later 72 hours before the time appointed for the holding of the EGM.
5. Completion and return of the Form of Proxy/Form of Direction does not preclude a member from attending and voting at the EGM or at any adjournment thereof in person. Depository Interest holders wishing to attend the meeting should contact the Depository at Link Market Services Trustees Limited, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU or by email by using CAGtrustees@linkgroup.co.uk to request a Letter of Representation by no later than 72 hours before the time appointed for holding the Meeting or any adjourned meeting.
6. In the case of joint holders, the person whose name appears first in the register of members is required to sign the Form of Proxy and that person's vote will be accepted to the exclusion of the other joint holders.
7. Holders of Depository Interests in uncertified form (i.e. in CREST) may transmit voting instructions for the EGM or any adjournment by utilising the CREST voting service in accordance with the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider, who will be able to take appropriate action on their behalf. In order for instructions made using the CREST voting service to be valid, the appropriate CREST message (a "CREST Voting Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland's specifications and must contain the information required for those instructions as described in the CREST Manual (available via www.euroclear.com/CREST).
8. To be effective, the CREST Voting Instruction must be transmitted so as to be received by the Company's agent Link Asset Services (CREST ID: RA10), not less than seventy-two hours before the time appointed for holding the EGM or adjournment as the case may be. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the CREST Voting Instruction by the CREST applications host) from which the Company's agent is able to retrieve the CREST Voting Instruction by enquiry to CREST in the manner prescribed by CREST.

9. Holders of Depository Interests in CREST and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the transmission of CREST Voting Instructions. It is the responsibility of the Depository Interest holder concerned to take (or, if the Depository Interest holder is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a CREST Voting Instruction is transmitted by means of the CREST voting service by any particular time. In this connection, Depository Interest holders and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Voting Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
10. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, to be entitled to attend and vote at the EGM (and for the purposes of the determination by the Company of the number of votes they may cast) members must be entered on the Company's register of members at the time which is 48 hours before the time fixed for the EGM.
